

BROMSGROVE SCHOOL

Fifth Form Examination Results 2025

We are celebrating another incredible year of GCSE results. Our Fifth Form pupils sat over 1,900 qualifications, and the most common grade awarded was the top grade 9, achieved in nearly a quarter of all cases.

Nearly two-thirds of all grades were 7 or above, paving the way for students to move confidently into their chosen A level, BTEC or IB courses.

A huge congratulations to our pupils, and heartfelt thanks to our dedicated staff and supportive families. You've all made this success possible.

Headmaster of Bromsgrove School, Mr Punt says, "We are extremely proud of all those pupils who worked so hard to achieve the very best results they could, and of course of the staff who have guided them with such expertise, commitment and kindness."
