Uploading Handwritten Prep Direct to OneNote

For those preps which are written by hand on paper, the easiest way to upload them to OneNote is to use your smart phone.

- 1. Download the Microsoft OneNote App from your app store.
- 2. Open the App and sign in with your Bromsgrove School email address and password. This will automatically load the OneNotes to which you have access.
- 3. Select the appropriate Notebook and navigate to your individual Prep section. (Click More Notebooks if you cannot find the one you need).

4. Use the + button to add a new page for your prep.
