

Microsoft Teams is a file-sharing, task management, and collaborative programme. Your teachers may add you to Teams for your classes.

If you are invited to join a Team by a teacher, you will receive an email confirming the Team name and link. You can follow that link to the Teams area, or you can view your teams through Office 365.

To do this, open Office 365:

	🞄 BROMSGROVE SCHOOL Office 365	Search		₽ © ?(
n	Good afternoon			Install Office V
