Dear Lower Fourth,

During your time away from School, we would like you to work towards the Bromsgrove Badge. The three areas that you need to work towards are **Creativity**, **Activity** and **Service**. Over the next five weeks, you will need to spend some time completing these activities and then upload some evidence to demonstrate what you have been doing. Each week will have a focus, which will be clearly stated in the Microsoft Teams assignment area.

Your evidence could include a video of you doing the activity or a photo and a write up. If you choose to add a write up to your evidence, please reflect on what you have gained by doing the activity and whether you have learned anything new. Points will be assigned to the evidence you submit and the effort you put into these tasks.

Some suggestions for the three strands are included below to give you some ideas:

Creative

Drawing
Painting
Knitting
Baking

Activity

Walks
Runs
Skipping
Home workouts

Service

Helping people in your community
Helping with siblings
Helping parents with cooking / cleaning etc
Gardening

You will receive an email with a link to a Microsoft Team. This is where you will upload your evidence. If you have any questions, please don't hesitate to email me.

Kind regards

Miss Linehan
