## University

- **Study in Australia or New Zealand**

Registrations are now open for our online **University Study Options University** Open Days are free information events designed to give students, parents and careers advisors the chance to find out more about studying at Australian and New Zealand universities. **Open Day on Thursday 11 March 12:00 - 15:00**

Thursday 11 March will be a dedicated undergraduate information event, providing useful information for any students currently in years 11, 12 or 13 considering international university applications.

For more information, please go to [www.studyoptionsopendays.com](http://www.studyoptionsopendays.com)

- **Exeter University**

### **Live Chats with academics and current students**

We are currently running a number of [online live chats](#) for a number of undergraduate programmes. These live chats are a chance to talk to a current student and, where available, an academic from the subject your student is interested in studying. They can ask any questions about course content, teaching, assessment, applying and student life at Exeter.

Find dates and sign up [here](#)

- **Discover Exeter subject videos**

This wide selection of new [YouTube videos](#) will give students a taste of subjects offered at Exeter including:

[Discover English](#)

[Discover Psychology](#)

[Discover Biosciences](#)

[Discover Computer Science](#)

[Discover Film and Television Studies](#)

## Apprenticeships

- An online application event taking place on the 16th March, 4pm - 5:30pm with Capgemini specifically for the West Midlands region. This is a female focused event for students in Y13 who are interested in a career in Technology and looking / considering to do a Degree Apprenticeship.

### **Capgemini Application Workshop - West Midlands**

- Tuesday 16th March, 4pm - 5:30pm
- Insight to the £20billion Technology & Consulting firm Capgemini
- If you are interested in Technology and considering a Degree Apprenticeship then this is for you!
- How to apply / pass Capgemini's selection process (**FAST TRACKS** for all students on the webinar)
- Open to all Y13 female students
- Get your questions answered by the recruitment team
- Parents are encouraged to join!
- **FREE event** (limited places, first come first serve)

#### **Application Link:**

<https://www.research.net/r/Capgemini-16-March>

- **UK University & Apprenticeship Search Virtual Fair** again on **Wednesday 17<sup>th</sup> March**

Students, teachers and parents can [register now here](#).

The event for students in Years 11, 12 and 13, will feature even more university exhibitors (**100+**) and an updated range of vital webinars. We have also now added an exciting new feature which enables users to view **virtual tours** of exhibitors' university campuses.

## Virtual Taster Events

- **Virtual Work Experience**

We've updated our list of organisations offering virtual work experience placements and opportunities for March, so do check it out [here](#) and share with anyone you think will find it useful.

With National Careers Week coming up, Worcester University announce a new series of twilight careers talks, covering a wide range of jobs.

Our talks will offer students the opportunity to speak with expert university staff, as well as current students, to help them plan their future career.

Students are welcome to attend more than one session. They can access the full programme and book sessions by following the link below:
