Apprenticeships

National Apprenticeship Week – want to know more about Degree Apprenticeships?

This year's National Apprenticeship Week (8 – 14 February) will be focusing on “Building the Future”, looking at how apprenticeships can help individuals develop the skills and knowledge for a successful and rewarding career. There are sessions for your students to work out if an apprenticeship is for them, and teachers and advisers may be particularly interested in the CPD accredited session taking place on Monday 8 February at 6pm. For more information and to sign up for any of the sessions view the [full details](#).
