A – Z Activities Challenge 2020 Summaries (example)

A I found an online tutorial of different **acro yoga** moves and my sister and I had fun creating shapes. I am *really* flexible now! We practice every morning before school. Namaste!

B My grandma makes amazing hot cross buns. I called her up and asked her for the recipe. She told me her magic ingredient and explained that I must weigh everything carefully. My Dad turned the oven on for me and helped me to keep safe. I made these for Easter and I have since **baked** every weekend for my family. It is a good job we are keeping fit and active or we would become very unhealthy! I have been cooking healthy stuff, too! (Honest!)
